

# The Royal Family Tree

Learn the ancestry of William, Prince of Wales, with colors representing different generations. Note: For space, we've omitted some members of the royal family, such as spouses who aren't ancestors to William. You can find a full family tree at [www.bbc.com/news/uk-23272491](http://www.bbc.com/news/uk-23272491).)
